TELEPHONE INTERVIEW SUMMARY

MAIL STOP AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On July 8, 2009 and July 13, 2009, Applicant's counsel participated in telephone interviews with Examiner Grant to discuss the outstanding Office Action mailed April 28, 2009.

During the July 8th telephone interview, Applicant's counsel noted many distinctions between the pending claims and U.S. Patent No. Re. 31,095 to Tschudy (the "'095 Patent"). Although the Examiner agreed with Applicant's counsel that the '095 Patent fails to teach the limitations of the pending claims, he requested additional time to review the '095 Patent. Accordingly, Applicant's counsel and the Examiner scheduled the July 13th telephone interview.

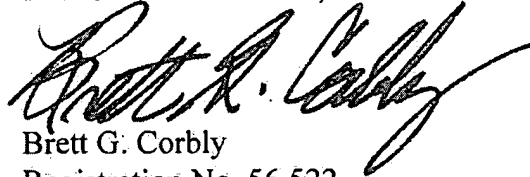

During the July 13th telephone interview, the Examiner indicated that he was withdrawing the Office Action issued on April 28, 2009, as the '095 Patent fails to support the

Examiner's rejection under 35 U.S.C. §102(b). Accordingly, the Examiner indicated no written response to the April 28, 2009 Office Action would be required.

Since there are no outstanding issues and at least six Office Actions have issued for this application, Applicant's counsel respectfully submits that this application has been thoroughly examined and is in condition for allowance. If any outstanding issues remain, Applicant's counsel respectfully requests that the Examiner contact him at the telephone number below. Otherwise, Applicant looks forward to receiving a Notice of Allowance for all pending claims.

Respectfully submitted,

KING & SCHICKLI, PLLC
